

German Desk Bangladesh – Financial Support and Solutions

Together with its partner Mutual Trust Bank, DEG – Deutsche Investitions- und Entwicklungsgesellschaft is offering a “German Desk – Financial Support and Solutions” for German SMEs and their Bangladeshi partners.

The German Desk enables companies to gain access to financial support and solutions via one point of contact. Thereby the companies benefit from the combined network of Mutual Trust Bank and DEG. A German Desk Relationship Manager puts the needs of German companies and their Bangladeshi partners into focus and has a profound knowledge of both business environments and cultures.

The range of services extends from setting up a bank account through trade finance products and transaction banking, to credit lines or investment financing for local companies wishing to acquire German equipment. In this way, German companies will also be assisted long-term in the process of preparing foreign direct investments in Bangladesh.
