

10<sup>th</sup> November 2016

**Business Workshop/Seminar on**  
**“Opportunities in Renewable & Power Sector”**  
**9<sup>th</sup> December 2016 at Hamburg**

Dear Sir / Madam,

India is today the fastest growing major economy in the world, and a hub for businesses and investment opportunities. The “MAKE IN INDIA” Initiative, a major flagship program launched by the Indian government, is providing an open and welcoming business environment to foreign investors and transforming India into a global destination for manufacturing. One of the key focus sectors under the Make in India Mission is “Renewable and Power Sector”. India has the fifth largest power generation portfolio in the world. Government of India has a target of adding 175 GW of renewable power in the country by 2022, which will offer massive investment opportunities across the value chain. Economic growth, increasing prosperity, a growing rate of urbanization and rising per capita energy consumption has led to increased demand for energy in the country.

With unfolding of the Indian Energy growth story, huge opportunities have emerged for the Indo-German collaboration in this sector. In order to provide greater insight into the possible synergies for cooperation, **Embassy of India - Berlin & Consulate General of India - Hamburg** are organizing a special sector-focused event on **“Opportunities in Renewable and Power/Energy Sector”** on **9th December 2016 at 1000-1300 hrs at Hamburg Chamber of Commerce (Adolphsplatz 1, 20457 Hamburg)** in support with Renewable Energy Hamburg Cluster, Hamburg Chamber of Commerce, OAV-German Asia-Pacific Business Association.

The event will help you in understanding better about the current growth outlook and market development in these sectors, the ongoing reform agenda, opportunities and challenges for growth for German companies in these sectors. Participants will also learn about the **“Make in India Mittelstand!” Program** which is local fast track for all your investment needs into India. In addition, you will learn about different cross border investment efforts and their outcomes, in selected case studies and about the much talked Goods & Services Tax regime.

We are cordially inviting you to join us for this event and request you confirm your participation for this event by registering at: [cgihh@aol.com](mailto:cgihh@aol.com). A **draft** program for the event is enclosed for your information. We would be grateful for your reply **by 30 November 2016**.

We look forward to welcoming you for the event.

Regards,

**Madan L. Raigar**  
**(Consul General)**
