

01 November 2018 | Business Lunch | German Desk Indonesia – Financial Support and Solutions

1st anniversary of the German Desk Indonesia

supported by

OAV GERMAN ASIA-PACIFIC
 BUSINESS ASSOCIATION

Together with its partner Panin Bank and the German-Indonesian Chamber of Industry and Commerce (EKONID), DEG is offering since one year a “German Desk – Financial Support and Solutions” for German SMEs and their Indonesian partners.

The German Desk enables companies to gain access to financial support and solutions via one point of contact. Thereby the companies benefit from the combined network of Panin Bank, EKONID and DEG.

The German Desk Relationship Manager Volker Bromund puts the needs of German companies and their Indonesian partners into focus and has a profound knowledge of both business environments and cultures.

The range of services extends from setting up a bank account to long-term investment financing solutions such as leasing for local companies wishing to acquire German equipment.

We would like to look back on one year of “German Desk – Financial Support and Solutions” in Indonesia together with you and cordially invite to a business lunch

DEG – Deutsche Investitions- und Entwicklungsgesellschaft

For 55 years, DEG has been financing and providing advisory services for private-sector companies operating in emerging markets and developing countries by offering tailor-made solutions, including long-term financing, promotional programmes and individual advice.

Panin Bank

Panin Bank is a commercial bank founded in 1971. In 1982, it was the first bank to be listed at the Indonesian stock exchange. In the past the bank showed a long phase of stable growth and has supported the development of SMEs in Indonesia.

Deutsch-Indonesische Industrie- und Handelskammer (EKONID)

EKONID is part of the worldwide AHK network of German Chambers of Commerce. The Delegation consults German and Indonesian companies exploring new markets, and fostering new business relations with services such as market studies and networking.
