

Dear Madam/Sir,

Together with its partner Panin Bank and the German-Indonesian Chamber of Industry and Commerce (EKONID), DEG is offering a “German Desk – Financial Support and Solutions” for German SMEs and their Indonesian partners.

The German Desk enables companies to gain access to financial support and solutions via one point of contact. Thereby the companies benefit from the combined network of Panin Bank, EKONID and DEG.

A German Desk Relationship Manager puts the needs of German companies and their Indonesian partners into focus and has a profound knowledge of both business environments and cultures.

The range of services extends from setting up a bank account through trade finance products and transaction banking, to credit lines or investment financing for local companies wishing to acquire German equipment. In this way, German companies will also be assisted long-term in the process of preparing foreign direct investments in Indonesia.

In order to learn more about the solutions and networks of the German Desk, we would like to cordially invite you

on 16 November 2017, 4.00 pm.
at The Hermitage, Jalan Cilacap 1, Menteng, Jakarta

to the ceremonial opening of the German Desk Indonesia – Financial Support and Solutions.

You will receive an official invitation to the event including a detailed program at the beginning of November.
