## Company Profiles and project description

## Villageworks

Villageworks Cambodia was established in 2001 as a social enterprise. In 2015, Villageworks became certified members of the World Fair Trade Organisation (WFTO). The company is committed to the fair-trade principles, such as proving fair wages, a safe working environment, promoting sustainability and gender equality. Villageworks offers a large selection of quality products such as bags, scarves, accessories, and interior decoration items. The products are made from a range of different materials, including recycled, organic, and natural materials.

## CULT

The CULT markets are designed to promote ethical and sustainable fashion, beauty and lifestyle products that are consciously designed and made with love in Cambodia. Hosted quarterly in Phnom Penh's trendiest venues, CULT has made its mark in Phnom Penh for being the go-to-market for all those looking for kinder shopping alternatives, encouraging the curious and mindful consumers.
