GERMAN–INDIAN BUSINESS FORUM

DEUTSCH–INDISCHES WIRTSCHAFTSFORUM

MANUFACTURING EXCELLENCE & SUSTAINABILITY

16th - 18th September 2019
Munich, Germany

INVITATION

City of Munich

MESSAGE FROM THE INITATORS & PATRONS

The economic and political ties between Germany and India are stronger than ever before and the mutual business is growing rapidly. As global players and leading economies, Germany and India can rely on each other as equal partners.

In the last decades, India has rapidly grown and currently tops the list of fastest growing economies of the coming years. With its huge domestic market and as a powerhouse in information and communication technologies with numerous young and successful startups, India offers massive potential for Germany. Germany in return offers technological advantage in the areas of manufacturing, infrastructure and sustainable development which are the need of the day for India.

Therefore, the German-Indian Business Forum 2019 will focus on 'Manufacturing Excellence & Sustainability'. The Forum is a platform for high-ranking decision makers from the areas of business, politics and administration to confer on matters of mutual interest. Join us in leveraging potential by building and maintaining new and sustainable relationships between Germany and India.

Welcome India! Welcome Germany!
